

You were always on my mind – Willie Nelson

Maybe I didn't treat you
quite as good as I should have

Maybe I didn't love you
quite as often as I could have

Little things I should have said and done
I just never took the time

You were always on my mind
You were always on my mind

Maybe I didn't hold you
all those lonely, lonely times

And I guess I never told you
I'm so happy that you're mine

If I made you feel second best
Girl, I'm so sorry I was blind

You were always on my mind
You were always on my mind

Tell---- me

Tell me that your sweet love
hasn't died

Give--- me

Give me one more chance to keep you
satisfied

[instrumental couplet]

Little things I should have said and done
I just never took the time

You were always on my mind

You were always on my mind

You were always on my mind

You were always on... my mind
