

You've got a friend – Carole King

When you're down and troubled
and you need some lovin' care
and nothing, oh nothing, is going right
close your eyes and think of me
and soon I will be there
to brighten up even your darkest night

You just call out my name
and you know wherever I am
I'll come running, to see you again

Winter, spring, summer, or fall
all you got to do is call
and I'll be there, yes I will

You've got a friend

If the sky above you
should turn dark and full of clouds
and that old north wind
should begin to blow

Keep your head together
and call my name out loud
soon I'll be knocking upon your door

You just call out my name...

Hey ain't it good to know
that you've got a friend
when people can be so cold

They'll hurt you and desert you
well, they'll take your soul
if you let them, oh yeah

but don't you let them

You just call out my name...

You've got a friend
