

The Logical Song - Supertramp

When I was young, it seemed that life was
so wonderful, a miracle, oh, it was
beautiful, magical

And all the birds in the trees, well they'd be
singing so happily, joyfully, playfully
watching me

But then they sent me away to teach me
how to be sensible, logical, responsible,
practical

And then they showed me a world where I
could be so dependable, clinical,
intellectual, cynical

**There are times, when all the world's
asleep, the questions run too deep,
for such a simple man**

**Won't you please, please tell me what
we've learned, I know it sounds
absurd, please tell me who I am**

I said, now, watch what you say, they'll be
calling you a radical, a liberal, fanatical,
criminal

Oh, won't you sign up your name? We'd like
to feel you're acceptable, respectable,
presentable, a vegetable

**But at night, when all the world's
asleep, the questions run so deep,
for such a simple man**

**Won't you please please tell me what
we've learned, I know it sounds
absurd, please tell me who I am,
who I am, who I am, who I am!**

[instrumentaal]
