

On The Beach - Chris Rea

Between the eyes of love
I call your name
Behind those guarded walls
I used to go
Upon a summer wind
There's a certain melody
Takes me back
To the place that I know

On the beach
Down on the beach

The secrets of the summer
I will keep
The sands of time
Will blow a mystery
No-one but you and I
Underneath that moonlit sky

Take me back
To the place that I know

On the beach
Down on the beach
On the beach
On the beach

Forever in my dreams
my heart will be
Hanging onto this sweet memory
A day of strange desire
And a night that burned like fire
Takes me back
to the place that I know

On the beach
Down on the beach
